

# GMetrix Updates

CertMatters 2023

Ben Smith  
Director Business Development

# Overview

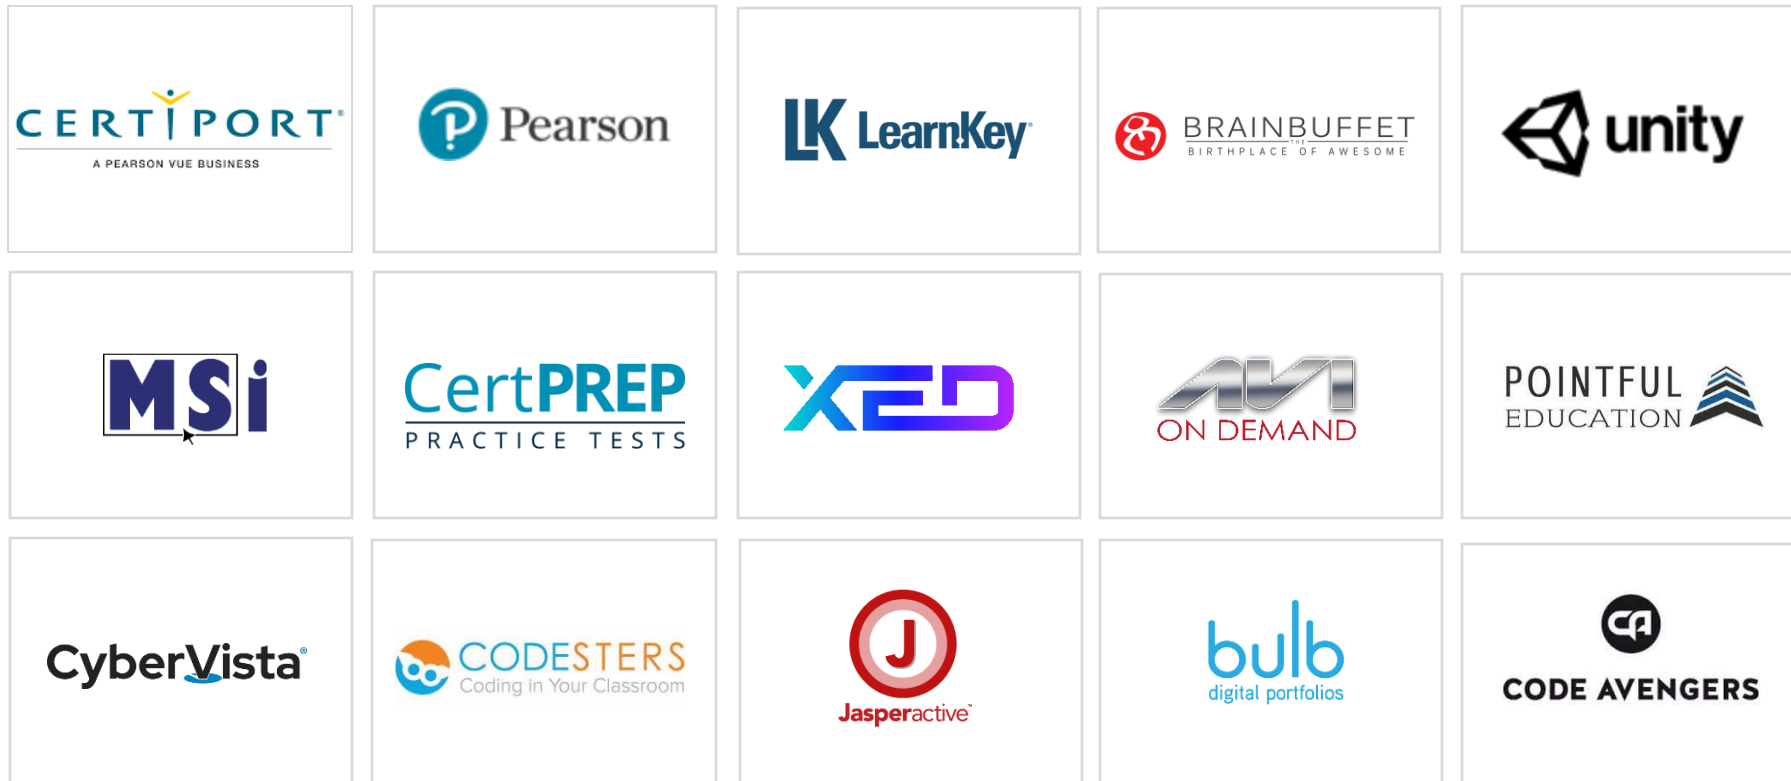

A trusted leader in test prep and readiness content, GMetrix delivers millions of practice tests and courses worldwide across dozens of sought-after certifications in more than 18 languages.

- ✓ Creating and delivering practice exams for 12 years
- ✓ Delivering courseware for 5 years
- ✓ Developed world-class technology to deliver in-app exams with instant feedback
- ✓ 8,000+ active Institutions
- ✓ 2022: 16,300,000 tests delivered
- ✓ 2022: 2,500,000 active users
- ✓ Available in 18 languages
- ✓ Released 210 practice exams and courses in 2022 (60 English and 150 localizations)

# Content Partners and Clients

Trusted Partners that leverage the GMetrix platform to create one student login

# What is GMetrix?

Certification readiness platform for student success and instructor efficiency. GMetrix is a best-in-class skills management toolkit providing access to practice tests and courses to prepare for Industry Certifications

## Student Readiness

- Practice Tests – Training and Testing Mode
- Courses with pre and post tests
- Study Guides for self-remediation
- Student login: gmetrix.net

## Instructor Efficiency

- Admin Panel
- Classroom Setup
- Reporting & Tracking
- Custom exams
- Teacher/Admin Login: Manage.gmetrix.net

# Coming 2024

- New Dashboard for Instructors and Students
- Quick view to assess student readiness
- Updated roles and permissions
- Updated Study Guides and Glabs

# New Dashboards 2024

## Instructor Dashboard

1. Calendar of Events/Webinars
2. Products Updates
3. Tutorials and Resources
4. News and Critical Updates
5. License usage and expiration

Coming soon 2024

Quick views in 3 areas:

- who is ready
- who is approaching readiness
- who needs help

The screenshot displays the GMetrix Instructor Dashboard. At the top, the GMetrix logo is on the left, and user information (GMetrix Testing Center, CID: 1234567, Administrator, gatkinson) is on the right. A sidebar on the left lists navigation options: Dashboard, Classrooms, Access Codes, Students, Reports, Test Tracking, Build Portfolio, Orders, and User Accounts. The main content area is titled 'Welcome, USER02394' and features a large banner for 'Integrate Seamlessly with GMetrix' with logos for Blackboard, Canvas, D2L BRIGHTSPACE, Moodle, Cornerstone, and Schoology. Below this is a 'Webinar Calendar' for April 2023, showing various events like 'All Day Event', 'Long Event', 'Some Event', 'Conference', 'Planning Meeting', 'Video Record', 'Late Same Night', and 'Late Night Event'. The bottom section is titled 'Tutorials and Resources' and includes links for Getting Started, Reporting, LMS/LTI Integration, Courses, and LearnKey Resources. A 'News and Updates' section on the right shows a 'Weekly GMetrix Webinar' dated October 11, 2023.

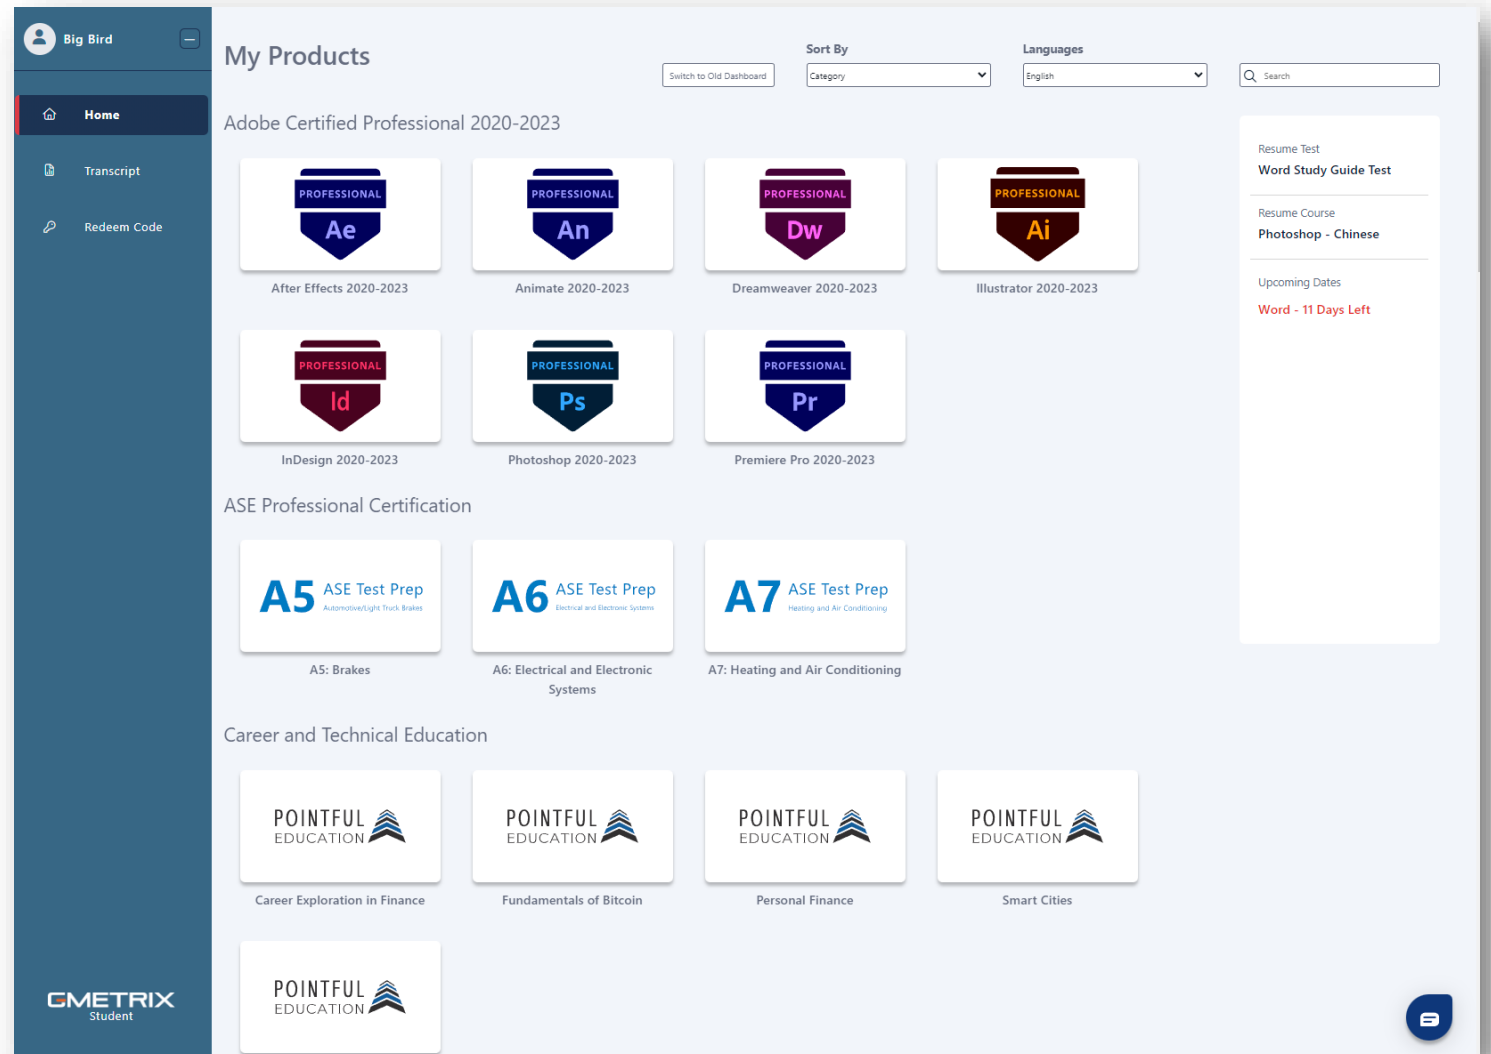

# Student Dashboard

The student dashboard is now organized by product instead of content type

Recent activity shows students their most recent test and course, as well as alerts for upcoming due dates

Updated design is more touch and mobile friendly

Ability to change language quickly

# Updated Student Tiles

The new Product page puts all of your Tests and Courses in one convenient spot

Improved explanations for Testing and Training Mode

Quickly view Last Activity and Best Score right from the Test Select page

The screenshot displays the GMETRIX interface for a student named Ben Smith. The sidebar on the left contains navigation links: Dashboard, Language, Tests (highlighted), Courses, Study Guide, Transcript, Sign Out, Tell Me About This Page, and View New Dashboard. The main content area is titled 'Photoshop 2020-2023' and shows 'My Tests' with 'Practice Exams (3)'. Two exam tiles are visible: 'Photoshop 2020-2023 - Practice Exam 1' and 'Photoshop 2020-2023 - Practice Exam 2'. Each tile displays 'Last Activity' as '--', 'Best Score' as '--', and 'Due Date' as '7/8/2024'. A 'Start Test' button is present on each tile. A 'Training Mode' modal is open in the foreground, listing '30 Questions', 'Help, Feedback, and show Correct', and 'Unlimited Time'. It includes a toggle for 'Training' (selected) and 'Testing', and an 'OK' button.

# Classroom vs Access Code

## Organize Classrooms in 3 steps

1. Set up Classroom
2. Add/Remove Content
3. Student Access
4. Reporting

# Classrooms New Feature

## Create Your Classroom

1. Log in to the GMetrix Administrator Panel at **www.gmetrix.net/manage**.
2. Select the **Classrooms** tab in the Navigation Panel on the left side of the page.
3. Enter the Name, Max Students, Code Identifier, and Description
4. Select the **Create Classroom** button on the right-hand side.

The screenshot displays the GMetrix Administrator Panel. The sidebar on the left contains the following navigation items: Dashboard, Access Codes, Students, **Classrooms** (highlighted with a red box and callout 2), Custom Tests, Reports, Test tracking, Bulb Portfolio, Orders, and User Accounts. The main content area is titled 'Classrooms' and features a '+ New Classroom' button (highlighted with a red box and callout 3) and a search bar. Below this is a table listing existing classrooms:

Classroom Id	Name	Instructors	Classroom Code	Student Count	Access Code Count	Date Created	
67719	Period 1 Digital Media		Busath-67719	6	0	6/17/2022	<a href="#">Details</a>
68137	Group 1		Bird-68137	3	0	8/10/2022	<a href="#">Details</a>
68138	Group 2		Bird-68138	3	0	8/10/2022	<a href="#">Details</a>
70378	testing		Bird-70378	6	0	9/30/2022	<a href="#">Details</a>

Below the table is a 'Create Classroom' form. The form has a title 'Create Classroom' and a 'New Classroom' button. It contains the following fields: 'Name\*' (highlighted with a red box and callout 4) with the value 'MOS Fall 2024 Period 1', 'Max Students' with the value '35', and 'Code Identifier' (highlighted with a red box and callout 5) with the value 'Smith'. There is also a 'Create Classroom' button (highlighted with a red box and callout 5). Below these fields is a table for 'Instructors' with columns 'First Name' and 'Last Name'. The first row shows 'GMetrix' and 'Administrator'. There is a '+ Add Instructor' button and a pagination control showing '1' of 1 items. To the right of the instructors table is a 'Description' field with the text 'MOS Test Prep for Word, Excel and PowerPoint'.

# Add/Remove Content

## Choose Content

1. Select the **Content** tab at the top of the page.
2. Select the blue **Select Content** button.
3. Enter the name of the content you would like to add in the **Search** field. Select and remove what you would like to add to the class.
  1. Set the dates
  2. Add Test Setting
  3. Select checkboxes for test options
4. Select the green **Save** button in the top right-hand corner to add and save content.

# Student Transcripts

The new Transcripts feature allows a student to view all of their GMetrix activity in one convenient place

Link directly to Score Reports and Course Activity Reports

Can be viewed for specific Products or for activity across all products

Great for ePortfolios and Parent Teacher Conferences!

The screenshot displays the GMetrix Student Transcripts interface. At the top, it shows the product 'Word' and the assignment 'MO-100: Word Associate 365/2019'. The interface is divided into three sections, each representing a different assignment. Each section includes a header with assignment details and a table of activity records. The first section is for 'Assignment: BIGPER3', the second for 'Assignment: BIRDPER1', and the third for 'Assignment: MOSPER4'. Each table has columns for Name, Start Date, Completed Date, Score/Progress, and Time Spent. The third section also includes a summary row for 'Word'.

Assignment: BIGPER3	Date Assigned: 6/17/2022	Institution: School	Assigned By: Big Bird	Due Date: 6/17/2023
Microsoft Office 2019				
Word				
Name	Start Date	Completed Date	Score/Progress	Time Spent

# Reports by Classroom

## Student Progress Reports

1. Select the **Reports** tab at the top of the page in each classroom.
2. Select **Date Picker** and specific reporting options.
3. Select **Export** or **Print** options to save the report.

*Coming Soon*

Quick views in 3 areas

- who is ready
- who is approaching readiness
- who needs help

The screenshot displays the 'Reports' tab in the CMETRIX interface. At the top, there are tabs for 'Digital Media Fall 2023 Period 1' and 'Period 1 Digital Media'. Below these are navigation links: 'Details', 'Content', 'Students', and 'Reports' (which is highlighted with a red box). A 'Print' button is located in the top right corner.

A red box highlights the filter section, which includes:

- Date Picker:** Radio buttons for 'Week', 'Month' (selected), and 'Custom'.
- Assignment Select** and **Group Select** buttons.
- Test Mode\*** dropdown menu set to 'Training'.
- Score Filter\*** dropdown menu set to 'Latest'.
- Category** dropdown menu set to 'Select'.
- Product** dropdown menu set to 'Select'.

Below the filters is an 'Export' button. The main content area is a table with the following columns:

Name	MSI: IC3 G56 Level 1	All question types except Likert or Application	Digital Literacy Level 1 Practice Exam 1	Digital Literacy Level 1 Practice Exam 2	Digital Literacy Level 2 Practice Exam 1	Digital Literacy Level 2 Practice Exam 2	Digital Literacy Level 3 Practice Exam 1	Digital Literacy Level 3 Practice Exam 2
Bert and Ernie			23/45				25/40	
Big Bird		3/12	37/45					
Cookie Monster					26/45			
Count Von Count			41/45					
Oscar The Grouch			32/45		27/45			
Tickle Me Elmo			31/45			31/45		

At the bottom of the table, there is a pagination bar showing '1' of 1 page, '25' items per page, and a total of '6 Items'. A footer bar at the very bottom shows 'Technology Basics (53% Proficient | 226 Questions Attempted)' and a 'Support' button.

# New Study Guide Q1 2024

Students will have access to their own personalized Study Guide as they progress through the course and practice test.
